IT'S SIMPLE

1

Apply ONLINE or call in an emergency.

2

REHAB Equipment Link will confirm equipment availability and arrange an appointment.

3

We'll follow up with a consultation and complete any needed information at the appointment.

4

At the appointment, we'll instruct you on equipment care and use.

5

Clean REHAB Equipment Link items before use and before returning.

6

A client reminder card will be provided at the time of pick-up. After using the equipment, please contact REHAB Equipment Link to return the item(s) within 90 days or to request an extension.
