

*Serving
Hamilton County
Over 50 Years!*

Formerly Hamilton County Society for the Disabled

It has been a pleasure to support our community in loaning simple medical equipment to the residents of Hamilton County for more than 50 years!

Our program is dynamically linked to the community in loaning rehabilitation equipment for those being served by physicians and hospitals in Hamilton County, Indiana, who have a temporary need (90 days).

All items are loaned free of charge, but donations of cash or usable equipment are appreciated as services expand.

To arrange to borrow or donate items please contact **317-219-8613** or email: **REHABinfo@gsnlive.org**.
