We Can Help...

- ✓ Clothing, Wipes, Bottles
- ✓ Hygiene Supplies, Diapers
- ✓ Bedding, Toys, and more...

The program operates a store concept where families can exchange coupons for items needed. Coupons are obtained from various participating health care and social service agencies and providers.

What does the BABE Store provide?

Various items like: clothing, toys, bottles, hygiene supplies, diapers, bedding, wipes, etc., are available for babies and young children (up to size 6).

What are BABE Store coupons?

Only valid BABE Store coupons are used to “buy” or “exchange” for various item(s). Some items may not always be readily available/in stock. New and gently used items will be restocked as quickly as possible. Items are distributed on a first-come, first-served basis.

How do I use BABE Store coupons?

Save your coupons until you have collected the number you may need. Coupons are non-transferable, and coupons typically expire 12 months from the date of service listed on the coupon.

The appropriate participating agency must fill out coupons completely on the front. They must also be signed and stamped with the date of service completed by the agency, or they will be considered invalid and will not be accepted.

Only the parent/client whose name appears on the coupon may redeem it with photo identification.

The BABE Store staff reserves the right to limit the number of items allotted based on inventory.

How do I earn coupons for the BABE Store?

Coupons are distributed thru several agencies in Hamilton County: **WIC, HEALTHY FAMILIES, RIVERVIEW, PURDUE EXTN., and HAMILTON COUNTY PHYSICIANS, ETC.** Coupons are based on completing one-hour parenting/education classes with local agencies by Zoom meeting or in person, with repeatable training as needed.

Who can shop at the BABE Store?

Only parents of young children who have earned coupons at various participating agencies of the BABE Store may shop for needed items during regular store hours.
